Project voor hoogwaardige polymetaalmijnbouw

Een historisch belangrijk polymetaalmijnproject in Oostenrijk is beschikbaar voor overname. Deze grootschalige mijnbouwlocatie heeft een productiegeschiedenis van meer dan 500 jaar en behoorde ooit tot de meest productieve kopermijnen in de regio. Met historisch bewezen ertsreserves, waardevolle residuen en een aanzienlijk onontgonnen dieptepotentieel biedt dit project moderne investeerders in de mijnbouw een kans op hoge inkomsten.

Hoogtepunten van het project

- Historisch bewezen afzettingen:
    - Vroeger een van de meest productieve kopermijnen in de regio.
    - Geschatte resterende hoeveelheid erts van ongeveer 870.000 ton, met een berekende marktwaarde van meer dan €350 miljoen.
- Samenstelling van hoogwaardige hulpbronnen:
    - De gemiddelde historische ertssamenstelling (1900-1958) omvat:
        - 1,53% Koper (Cu)
        - 2,10% Lood (Pb)
        - 2,75% Zink (Zn)
        - 31,84% Zwavel (S)
        - 30,60% IJzer (Fe)
        - 0,4 – 1,25 g/t goud (Au)
        - 30 – 225 g/t zilver (Ag)
    - Rijk aan EU-geclassificeerde kritieke grondstoffen, waaronder kobalt (Co), indium (In), antimoon (Sb), bismut (Bi) en arseen (As).
- Bestaande residuen met extra waarde:
    - 575.000 ton waardevolle residuen met edele en non-ferrometalen ter waarde van €50 – €100 miljoen.
- Onontgonnen dieptepotentieel:
    - Er zijn geen moderne exploraties, diamantboringen of geavanceerde geologische onderzoeken uitgevoerd.
    - Grote kans op diepere, onaangeboorde ertsreserves.

Sterke concurrentiepositie:

- Rijke polymetallische ertslagen met bewezen economische haalbaarheid.
- Sterke infrastructuur die een efficiënte logistiek ondersteunt.
- Gunstige jurisdictie met mijnbouwvriendelijke regelgeving.
- Door de EU aangewezen kritieke grondstoffen, waardoor de marktvraag toeneemt.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
